Terri,
Please email this statement to Don and any regional reporters who are asking.

At this time, our goal is understanding the situation in Dimock and evaluating additional options, including further sampling. No decision has been made by EPA to provide alternate sources of water.

Betsaida - Do you want to handle this? We should stick with our current message.

Thanks - Shawn

He wants confirmation that EPA will be providing drinking water to Dimock residents. I'll do a walk around to see who's currently in the office.
